My dear Mr. Lee:-

My dear Mr. Ure:-

I was sorry not to see you this morning as I wanted to tell you that I am afraid I shall not be able to spend another morning at the Unimatic Society, before I sail for England. I am very sorry, and I shall miss it as I can't tell you how much I have enjoyed going there this winter. I hope when I return that you will let

we continue working there, as  
I have done this past winter.

I am very anxious  
to ask your advice about some-  
thing. There is just a chance  
that my friend, with whom  
I travelled before, may be able  
to go over and join ~~to~~ us  
abroad. In that case we  
would go to Greece and Sicily  
before coming home. Would it  
be too hot to visit Constantinople  
and Greece in October? Both of  
us feel the heat badly - And  
would Sicily be unpleasant  
in November? We must be

MORRISTOWN

home for Christmas. of course,  
the Spring would be better,  
but my friend may only be  
able to go this fall.

Would it be too  
much trouble for you to drop  
me a line about this? I  
would appreciate it very much,  
as I am to see my friend  
and talk things over, the  
end of the week.

Before I sail, I  
hope to go up to see you for a

minute as I am anxious to  
ask you where I will find  
good collections of Greek coins,  
in Europe.

With many thanks  
to you for all your kindness,  
I am,

Sincerely yours,  
Margaret F. Hoffman.

My dear Mr. Use:-

I find that I have  
to go away for several days  
and cannot be back by  
Tuesday - Would it be possible  
for you to have me on Friday  
morning of next week,  
instead of Tuesday? I am  
so sorry to have to change  
the day, but do not want  
to miss altogether next week.  
If I do not hear

from you to the contrary  
I will be at the Unimatic  
Society on Friday.

Sincerely yours,  
Margaret F. Hoffman.

Miss Margaret C. Hoffman,  
101 Madison Avenue,  
Morristown, N. J.

Dear Madam:

Responding to your letter: I must be away next week and I shall hardly be back by the 24th. It will be entirely convenient for you to be here on Friday, as you suggest. If you have finished with the casts, I should suggest you browsing about the library. I am very sorry that I cannot get back by the 24th, and if you prefer to be here on Friday the 27th, also, that would be satisfactory to me.

Very truly yours,

Secretary.

101 MADISON AVENUE  
MORRISTOWN  
NEW JERSEY

My dear Mr. Lee:-

Since you will not be at the Unimatic Society this week, I think that I shall not go in until next week, and although I am sorry to be there when you are away on the 24<sup>th</sup>, my regular day, it is the only day that week that I am free to go in. However, as you suggested, I can't spend

time very well in the  
library. Thanking you for  
your letter -

Very truly yours,  
Margaret E. Hoffman.

April 16<sup>th</sup> -

May 9th, 1928.

Miss Margaret G. Hoffman,  
101 Madison Avenue,  
Morristown, New Jersey.

Dear Miss Hoffman:

Your note is at hand. Please forgive me for having failed you yesterday, but I spent a large part of the morning with the doctor.

I think you will make no mistake in going to Constantinople, and Greece, in October. In fact, I think that is when the trips of the American School are taken. Before you come again, as you suggest, please telephone to make sure that I am here. Either Mr. Newell, or I, will give you a note to the director of the American School, in the event that it might be possible for them to permit you to accompany the members of the School, on the trip, if this did not involve more time than you had at your disposal. If I should miss you again, please leave your address, and I will write out a number of suggestions that may be of aid to you.

November is entirely all right for Sicily. I think that most of the hotels are open by that time. In fact, if one cannot go in the spring, the time you mention is the next choice in desirability.

I hope it will be possible for you to resume here when you return. I shall try to have a memorandum of the Collect~~or~~ish you should visit, if your travels take you to the respective cities.

Very sincerely yours,

Secretary.

May 19<sup>th</sup> -

My dear Mr. Use:-

I want to thank you so much for your letter. Since I wrote you I have seen my friend, and after talking it over we have decided that we will go to Greece and Italy in January or February instead of this fall. It seems to work out better that way, and we will not feel so hurried as we would if we had to be back by Christmas.

I called up the  
other day hoping you would  
be in so that I could go up  
and see <sup>you</sup> but they said that  
they did not expect you that  
day. I am so sorry, as I am  
afraid I shall not be able to  
go before I sail, on May  
twenty-sixth, but if I may,  
I shall be so glad to work at  
the Unitarian Society again  
next fall.

Hoping that you have  
a very nice summer -

Sincerely yours,  
Margaret F. Hoffman.

Miss Margaret Hoffman,  
101 Madison Avenue,  
Morristown, N.J.

Dear Miss Hoffman:

Your letter of the 19th is at hand and I, too, am sorry that I was not here when you telephoned the other day. Please let me have your forwarding address while you are abroad so that I may communicate with you a number of suggestions which I think may help you.

Very truly yours,

Secretary

My dear Mr. Lee: -

I am most anxious to  
work at the Unimatic  
Society this winter, as I did  
last year, and I am writing  
to ask if it will be convenient  
for you to have me there again.  
If this is satisfactory for  
you, could you drop me a line,  
and if so, would Tuesday  
morning be convenient for  
you? That is the best day  
for me, but if it is inconvenient  
I could come on Wednesday

Morning instead. I could  
start next Tuesday - October  
second - but would have to  
skip the week, as I am going  
to Washington for a week or ten  
days - but after that I could  
be more regular.

Unless something un-  
foreseen occurs, my friend and  
I are planning to go abroad  
in January, spending much  
of our time in Greece and Sicily.  
I shall be very anxious to  
ask your advice about places  
to go.

Sincerely yours  
Margaret E. Hoffman.

MORRISTOWN

My dear Mr. Use: -

I am very sorry that I was not able to go to the Unimistic Society last Tuesday - especially when you were so good as to have Miss Spenter telephone me. If it is convenient for you I shall be at the Society on Tuesday, October 16<sup>th</sup>, at nine forty-five, as last winter.

If there is any special work you have for me, for which

I should do some studying, I  
would be very glad to do it  
during the next ten days if  
you would let me know what  
it is - and thus I will not be  
losing time. I will be away  
from home but any letters  
will be forwarded.

Sincerely yours,  
Margaret F. Hoffman.

5th December, 1938

Miss Margaret G. Hoffman,  
131 Madison Avenue,  
Newark, N. J.

Dear Miss Hoffman:

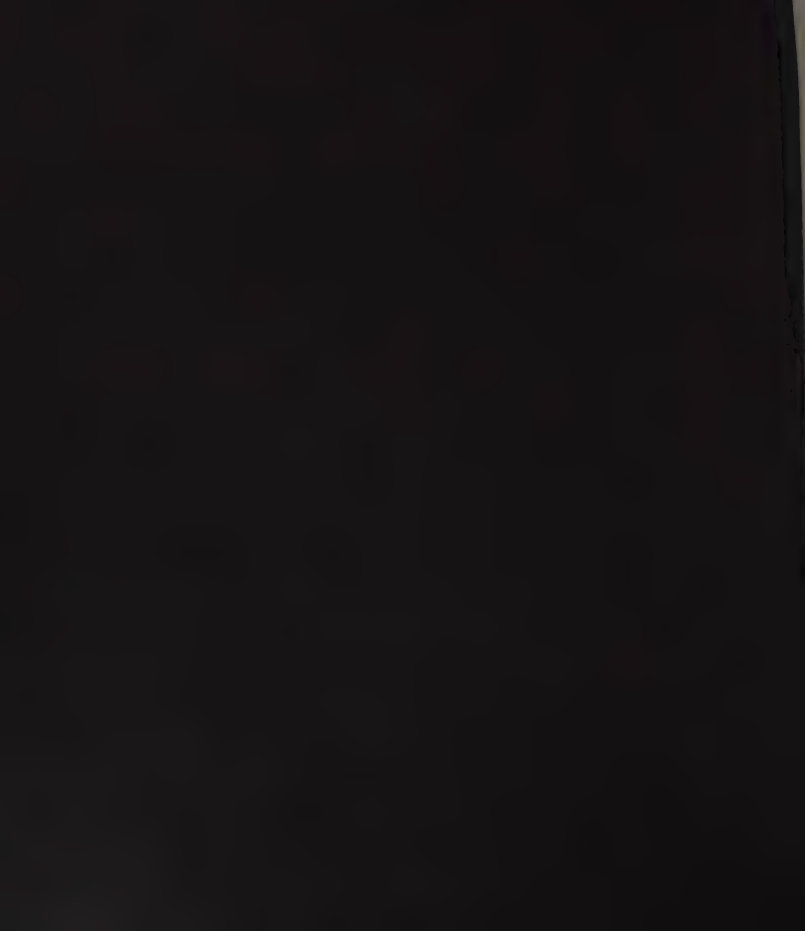

Your note is at hand and we shall be glad to welcome you on Monday, October 17th. I am not sure whether you have a copy of the Historic Buildings of New Jersey, but if you have you might read up the sections on Newark and Trenton, as we shall try to do something with casts of both these places during the winter. If you do not have Reed's book, you may do this when you get home, especially if you arrive before I do. In the meantime I hope to be able to plan something in the nature of a programme for the year before you sail. I should be glad to have any suggestions of what you think would be of help to you and perhaps we can discuss them.

I hope your summer has been a pleasant one.

Very truly yours,

Secretary

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Use:-

I have been hoping ever since I arrived home to go and pay the Luministic Society a little visit, but I do not seem to have 'had a chance' - first with my brother's wedding, for which we came home soon, then we expected and then illness in the family, and also of the friend with whom I went abroad and now we are going away soon for the

summer. - So I am afraid it  
will be autumn before I can  
go up. I am so sorry - but  
I was very anxious to see  
you and tell you about the  
trip abroad, which was a  
wonderful success. We had a  
most interesting month in  
Greece, and really saw a  
great deal in spite of the  
numerous snow-storms and  
the cold - both of which seemed  
to upset the Greeks badly!

As a result of the snow we  
had two rather wild trips -  
one to Helphi, and the

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

other to Corinthus, Turpin, Ulysses  
and Epidaureus. But I've  
returned safely each time and  
I think enjoyed it all 'the  
more for the excitement!

I expect to return  
home by the end of September  
and I hope very much that  
you will let us come to the  
Unimistat. Society and do a  
little work for you next  
winter.

Thank you so  
much for the guide book for

Constantinople that you loaned  
me - It was a great help, and  
we were delighted to have it.  
I am sending it to you  
to-day, and am sorry I  
have not done so, sooner.

Sincerely yours,  
Margaret S. Hoffman.

July 1<sup>st</sup> -

6th July, 1929

Miss Margaret E. Hoffman,  
101 Madison Avenue,  
Morristown, N. J.

Dear Miss Hoffman:

Your letter is at hand and I was very glad to hear from you, and in the fall I shall hope for detailed account of your contact with Greece. The guide book has also arrived. I am glad that it was useful.

You will be surprised to see the addition to our building which is in the course of construction. Perhaps by the fall we shall have plaster writers in which you can continue the work you have previously done with us.

Very cordially yours,

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Use:-

I have been wanting  
for nearly a month to write  
and ask if I might start  
working at the Unemployment  
Society for one morning a  
week, but numerous things  
have forced me to postpone  
it. However, now I am free,  
and if you would care to  
have me, I can commence  
next week, on Tuesday  
the fifth, if that is convenient.

Of course, if it is not a convenient day for you, and if for any reason you would rather I did not come just now, I hope you will surely tell me.

If you think you can arrange it, I will be delighted to return and if I hear from you that it is convenient, I shall be there on Tuesday, the fifth, at nine forty-five.

Yours truly,  
Margaret T. Hoffman.

Miss Margaret E. Hoffman  
101 Madison Avenue  
Morristown, N.J.

Dear Miss Hoffman:

Your letter is at hand and although I do not wish to discourage your coming on Tuesday the 5th, we are in such disorder owing to the addition of our building which is being constructed, that I believe there will be greater satisfaction to you if you could begin later.

I expect to be here on November 5th, and if you care to come and take one or two books back with you, I could then write you a little later, as soon as it was possible for us to offer you a comfortable place in which to study.

Very cordially yours,

Secretary.

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Uel:-

I wonder if the building work is enough advanced so that it will be convenient for you to have us commence going to the Society on Tuesday mornings. Please be perfectly frank if it is not convenient yet, as I will understand perfectly, and can wait until later when things have straightened out.

However if I hear from you that it will be all,

right, will you be there and  
will it be convenient for me  
to start in next Tuesday  
morning, January the seventh?  
With best wishes  
for the New Year

Sincerely yours,  
Margaret F. Hoffman.

December 31, 1929

Miss Margaret E. Hoffman  
101 Madison Avenue  
Morristown, N. J.

Dear Miss Hoffman:

Your note is at hand. From present indications it would be much more convenient if you could start on the 14th rather than on the 7th, as you suggest. The reasons will be explained when you come.

Yours sincerely,

Secretary.

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Ure:

We were quite late  
returning home this fall, but  
at last I am back and  
settled and am wondering  
if it would be convenient for  
you if I start in again at  
the University - about, say  
Thursday morning, October 14<sup>th</sup>,  
if by any chance you cannot  
leave the office on Tuesday  
we will not be a convenient time

I hope you will let me  
know. Otherwise I will be  
there at nine forty-five on  
the fourteenth.

Hoping that you  
had a nice summer.

Sincerely yours,  
Margaret S. Hoffman.

Yes - Monday  
Tuesday

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Lee:-

I am so sorry to miss  
this week, at the Lincolnton  
society - My Mother has been  
quite ill with the grippe, and  
it was impossible to leave her.

I dislike missing  
a week, especially as I am  
going away the end of the  
month for two weeks - and I  
wonder if I can go two  
days next week - Monday  
and Tuesday - to make up.

Is Monday not a convenient  
day for you to have me there?  
Those are the only free days  
I have next week - - and if I  
hear from you that Monday  
is convenient, I will be there

Sincerely yours,  
Margaret F. Hoffman.

Feb. 10<sup>th</sup> -

My dear Mr. Use:-

I am so sorry that I will not be able to go to the Ummatic Society this Tuesday. I am having some quite unexpected trouble with a tooth, and must go to the dentist every few days, whenever he can fit me in, so I am afraid it will be impossible for me to get to you on Tuesday. However,

if it will be convenient for  
you, I will go to the Univer-  
sity Society next Monday  
and Tuesday morning -  
May 4<sup>th</sup> & 5<sup>th</sup>. I have about  
fifteen minutes work left on  
my present job, and three  
or four casts about which I  
need your advice, and then  
I will be ready to start  
something new.

Unless I hear from  
you that it is not  
convenient I will be there

on Monday the fourth -

Sincerely yours,  
Margaret S. Hoffman.

My dear Mr. Use:

I am anxious to start work again at the Unumatic Society and wonder, if it would be convenient for you, if I begin next Tuesday morning. That is, if you would like to have me this winter, at least.

Hoping that you have had a nice summer.

Margaret S. Hoffman.

Dear Miss Hoffman:

Your letter is at hand. We shall be glad to welcome you on Tuesday morning next. My summer seems just about over because I returned from a two weeks in Canada on Monday of this week. I hope yours was a pleasant one.

Very truly yours,

EN:JC

Secretary

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Use:-

I am so sorry that I  
am still unable to go to  
the Unimatic Society.  
Having my tooth out developed  
into much more than they  
expected. By the time they  
got through I had lost two  
teeth part of the bone and  
part of my nostril, and so  
have been rather laid up  
all week.

However, I hope to

return on November third -  
that is if you expect to be  
here, as it is Election Day.

I am so sorry to  
keep delaying this way!

Sincerely yours,  
Margaret S. Hoffman.

Dear Miss Hoffman:

Your note of the 25th is at hand and I am sorry you have been having such a sorry time of it. I now expect to be here on November 2nd and hope it will be possible for you to come then. If, however, it involves any inconvenience please feel that a week later will be entirely all right.

Miss M. E. Hoffman  
101 Madison Avenue  
Morristown, N. Y.

Dear Miss Hoffman:

Your word that you would not be here on Election day reached me in due course. I am sorry to have to write that I shall not be in New York on Tuesday next. I am, however, leaving in the case you have used on several occasions some casts of Tarentine staters, which I think it would be profitable for you to identify, according to the classification by Evans in his "Horsemen of Tarentum". I have put the book along side the casts so that my not being here will not prevent your getting some benefit, if you are able to come on Tuesday next.

Very truly yours,

SN:JG

Secretary

101 MADISON AVENUE  
MORRISTOWN, NEW JERSEY

My dear Mr. Use:-

Thank you so much  
for your letter. It was very  
good of you to let me know  
that you would be away  
last Tuesday and since that  
was the case I decided not  
to go in. However if the  
Tarentum coins are still there,  
I shall be much interested  
in seeing them, and I hope  
you will be able to give me  
some real work besides. I

have enjoyed the "Greek Cities  
in Italy and Sicily" immensely.  
ly.

I will be at the  
Univis uatic Society this  
Tuesday, if that is convenient  
for you.

Sincerely yours,  
Margaret P. Hoffman.
